Summary of the Operational Plan

The following document outlines the safe return to badminton under alert level three, for professional athletes/athletes being members of the National and Emerging National Squads, support staff and officials during training for preparation of club and provincial leagues, national and international tournaments. A staggered approach has been proposed to ensure the safety of athletes, support staff and officials. For the avoidance of doubt, this document covers the return of both Able-bodied badminton and Para-Badminton activities.

This document heavily focuses on an immediate return to training with a return to matches (tournaments and events) proposed for four to six weeks' time.

3. Compliance and Monitoring

a. Compliance Officers

- Badminton South Africa has appointed a National Safety and Compliance officer to oversee the various venues, facilities, coaches, and players. All badminton coaches will assume the responsibility of being a Safety Officers at their venues to ensure total compliance as stipulated in the respective sections relating to coaching activities and playing at the venue.
- The role of the Compliance Officer is to monitor day-to-day venue activities to ensure everyone adheres to social distancing and hygiene measures to reduce the spread of the COVID-19 virus.
- Ensuring compliance to the 2m social distancing rule and good hygiene is not the sole responsibility of the COVID-19 Compliance Officer. Their role should be supported by all venue management, players and administrators.
- A Compliance Officer must not put themselves at risk while carrying out their duties.
- This facility must be regularly audited and managed to ensure it works and protects all at the venue.
- Compliance Officers will follow the suggested framework to be effective in preventing the spread of COVID-19 and will ensure all relevant EMERGENCY contacts are visibly posted at the venue.
- In addition, club/facility managers and club committee members will also assume the responsibility of ensuring that the venue and the visitors are always compliant.

b. Risk Assessment

BSA and its members (Provincial Associations, Corporate Members and Associate Associations) have identified affiliated venues in each Province. All will be required to be cleaned before opening. A provincial compliance officer (a member of the relevant provincial executive) will be identified for each province and will work with the national compliance officer to ensure venues comply with all requirements.

c. Contact Tracing

All coaches, clubs and venue facilities are required to keep attendance registers of venue visitors (athletes, coaches, administrators, parents, spectators and officials). These will be submitted to BSA for storage on a regular basis in line with the gazetted directions.

4. Risk Mitigation Guidelines

a) Before attending the venue

- i. Complete indemnity form and send to Club / Provincial Compliance Officer
- ii. Give written consent to Club / Provincial Compliance Officer as per 6E of GOVERNMENT GAZETTE, 11 JUNE 2020

b) On entering the hall:

- i. Attendance register with physical address including telephone contact details to be kept and updated at every session
- ii. "Get in, train and get out". Strategies to limit time and person-to-person contact on site should be implemented

- xvi. If there is an umpire – players put spare racket, towel for wipe-down, etc on the opposite side of the court/at the back of the court on opposite sides

d. Events

Prior to participating in a tournament or event:

Players when entering an event will need to confirm in writing if they have undergone a COVID-19 test and are medically fit to compete.

If a player has:

- been in contact with someone with COVID-19 in the last 14 days; or
- any flu-like symptoms; or
- are in a high-risk health category.

The player must withdraw from the current tournament and not enter a forthcoming tournament until he/she has been declared medically fit and able to complete. If a player has entered into a tournament that is to commence within the 14-day period from the initial withdrawal, the player will automatically be withdrawn from the said tournament.

General behaviour during events:

- Always maintain social distancing.
- Always wear face masks when on-site.
- Try to avoid use of bathrooms as much as possible. Wash hands thoroughly after use of bathroom and avoid drinking water directly from taps.
- Players to have their own hand sanitizer in their Badminton bags.
- Be responsible for own litter after having something to eat and drink, by personally placing the empty containers etc. in a dustbin.
- Avoid unnecessary gathering around the tournament office/tournament desk. Refer to the notice board. Players to approach the organizer desk themselves to report for times and to report results and return shuttlecocks.
- Wash/sterilize your hands before and after you play and avoid touching your face while playing.
- No sharing of water bottles. Bring your own water bottle/s.
- Wash your hands frequently with soap and water or hand-sanitizer when available, before and after eating, after going to the toilet, sneezing, and coughing.
- Cover your coughs and sneezes and dispose of any used tissue immediately.
- Avoid touching your face.
- Keep your distance from people who are obviously sick.
- Be aware of what surfaces you touch and do not touch equipment such as net or net handle. If you do, you must immediately clean the area you touched with sanitizer.

Venue specific:

There will be a screening desk at the main entrance to each facility where the following will have to be done by tournament staff: temperature reading to be recorded, register to be completed and disclaimer form to be completed – all before entering the venue.

- All venues to be disinfected before use.
- Arrive as close to your match time as possible. All matches will be schedule on a 'Not Before' time basis.
- Only registered coaches will be permitted on-site.

- All officials, athletes, and support staff (including coaches) will need to provide certain personal data and sign a daily attendance register upon arriving at the venue. Personal data will be utilized for contact tracing purposes only.
- Always adhere to social distancing and refrain from gathering in groups.
- Upon completion of your match, depart from venue and return in time for your next match.
- No use of showering facilities will be permitted.
- Where possible, all efforts to be made to try and avoid remaining onsite.
- Masks to be worn at all times while on-site.
- Athletes to bring own water and own towel.
- No sharing of on court benches. Participants to be seated either side of the umpire's chair (separate).
- When changing ends do so at opposite ends of the net.
- Each player will be provided with two shuttlecocks, which they must mark themselves with a suitable pen; Each player will use his/her allocated shuttlecocks to serve with when it is their turn to serve and are to handle their own shuttlecocks only.
- Masks to be worn when arriving on court. Masks may be removed during the match but must be worn when leaving the court.
- No shaking of hands after the match, only tapping of rackets will be permitted.
- Players to pass shuttlecocks to each other by either hitting or sliding the shuttlecock under the net. Under no circumstances should a player pick up, touch, or handle the shuttlecocks of his/her opponent.
- Both players to return their shuttlecocks to the tournament desk after the completion of the score and ascertain the time for their next match. • Only singles matches will take place during stage 3 lockdown.
- When changing ends allow sufficient space for one another to pass.

Entry procedure:

Amendment to terms and conditions:

Standard clause that has to be accepted when entering a tournament to remain:

- I hereby agree to abide by the BSA tournament Rules Regulations and Code of Conduct.
- I indemnify BSA, the Tournament Organisers, Officials and all persons associated with the tournament from all liabilities and claims that could accrue to me or my heirs, executors or administrators as a result of illness, injury or death incurred by participating in this tournament.
- Please note all refunds are processed by the system when you withdraw.
- If you should have difficulty withdrawing On-line, please send an email to BSA before the withdrawal deadline. Failure to withdraw within the specified deadline will result in no refund being made.

The following will be added- Accept to adhere to the specific BSA COVID 19 tournament rules, regulations and code of conduct which is in addition to the standard BSA tournament rules, regulations and code of conduct, as well as the general Government requirements relating to social distancing and applicable to the current Government lockdown level;

- Where a tournament venue may have their own additional COVID 19 health and safety precautions, agree to abide by and follow these measures.

- Take full responsibility and accountability for ensuring health and safety precautions. Agree not to hold any tournament organizer, competitor, official, Provincial Association or Badminton South Africa responsible or liable in the event of contracting the Corona virus.
- Confirm that you have not been in contact with anyone who has tested positive for COVID 19 and have not travelled abroad within 14 days of the commencement of the tournament.

Proposed amendment to Code of Conduct:

The enactment of Regulations under the Disaster Management Act 57 of 2002 relating to COVID-19 has necessitated BSA requiring tournament organisers, officials, parents, coaches and participants to subscribe to a COVID-19 code of conduct and amended tournament rules and regulations in order to permit BSA tournaments to take place under these special Disaster Management Regulations.

1. The COVID-19 Code of Conduct is in addition to the existing BSA Code of Conduct, which is applicable to players, parents, coaches, and officials.
2. The COVID-19 Code of Conduct refers to all health and safety regulations that are in place by National Government and as per the BSA COVID 19 Tournament Regulations and Procedures.
3. All parties need to accept responsibility for their actions and health precautions.
4. Wearing of masks is mandatory at all times from time of getting out of the car in car park, until returning to the car. Players may only remove masks when on court and must put on the mask before leaving the court after the match is completed.
5. Players to wear face masks only while onsite. Additional precautions over and above the BSA tournament mask may be implemented if the player, parent coach feels necessary i.e. wearing of face shield in addition to mask.
6. No exceptions will be made for any person onsite to not wear a mask. This applies to players, parents, coaches, tournament organizers, tournament staff and officials.
7. In all cases the interpretation and decision of the Tournament Referee will be final.

5. Protocols for Managing Positive Cases

a. Response when someone test positive

During screening - Response to someone displaying symptoms of COVID-19 (dry cough, fever, malaise, shortness of breath, sore throat, muscle aches or other flu-like symptoms) DURING SCREENING ON ENTRY to the venue/training session/event:

Send them home and advise them to go to their nearest health provider for testing.

Response to someone displaying symptoms of COVID-19 DURING the venue/event:

Identify a room or area where someone who is feeling unwell or has symptoms can be safely isolated. Where an individual isolation room is not available, a 2-metre distance should be kept between suspected COVID-19 cases and other people.

Provide them with a mask, if necessary, organise for them to contact their own health provider and arrange for them to be safely transferred to a facility advised by the health provider.

Let all participants know that someone at the event/training is a suspected COVID-19 case.

Advise them to monitor themselves for symptoms for 14 days and take their temperature twice a day.

Advise them of the result once the test has been completed.

In the event of a player testing positive for COVID 19 while an event is in progress or while using a venue for training purposes:

1. Venue is immediately shut down for deep cleaning
2. New venue to be found to stage the event/session
3. Players having potentially come into contact with the infected player to be notified

Response to someone displaying symptoms of COVID-19 AFTER the event:

Retain the names and contact details of all participants for at least one month. This will help public health authorities trace people who may have been exposed to COVID-19 if one or more participants become ill shortly after the event and test positive.

They should be advised to monitor themselves for symptoms for 14 days and take their temperature twice a day.

If they develop even a mild cough or low-grade fever (temp of 37.3 C or more), shortness of breath, sore throat, muscle aches or other flu-like symptoms from 2 – 14 days after contact with a person suspected of Covid19 they should stay at home and self-isolate. This means avoiding close contact (1 meter or nearer) with other people, including family members. Close contact is defined as a person having face-to-face contact (≤ 1 metre) or having been in a closed space with a suspected or confirmed COVID-19 case for at least 15 minutes. Asymptomatic close contacts should not routinely be tested but should just monitor themselves for 2 - 14 days after contact.

They should also telephone their healthcare provider or the local public health department, giving them details of their recent travel and symptoms.

Response to someone being confirmed positive for COVID-19 AFTER the event:

Inform the manager or committee member of the venue/club so that they can follow the necessary protocols and close down the facility for deep cleaning.

Inform BSA National Compliance Officer so that assistance can be offered, where necessary.

Inform all participants that someone at the event/training has been confirmed as COVID-19 positive so that they can monitor themselves for 14 days and take their temperature twice a day.

Advise them that if they develop even a mild cough or low-grade fever (temp of 37.3 C or more), shortness of breath, sore throat, muscle aches or other flu-like symptoms from 2 – 14 days after contact with the infected person, they should stay at home and self-isolate. This means avoiding close contact (1 meter or nearer) with other people, including family members.

Supply the names and contact details of all people in attendance, if requested to do so by the health authorities. Assist wherever possible with the contacting and tracing of these people.

Coaches would need to suspend all lessons and place themselves under quarantine for 14 days.

All equipment and common areas used by the participant during the event, including toilets, access gates and benches etc. would need to be sanitised before allowing play to resume again.

b. Return after being tested positive

If an athlete or coach has been diagnosed with COVID-19 and isolated in accordance with the Department of Health Guidelines, they may only return to play if:

1. They have undergone a medical examination confirming that they have tested negative for COVID-19 after at least 14 days isolation.
2. They wear the minimum of a surgical mask at all times for the remaining period of 21 days from the date of initial testing.
3. They must adhere to social distancing, hygiene, and cough etiquette; and compliance officers will closely monitor them for symptoms on return to work.
