The junior selectors will be permitted to take into account results achieved from older age group events as well as results and performances from the junior domestic competitions.

Any athlete wishing to be considered must compete in three of the four tournaments below:

- a) Player edibility
 - 1. U13 or U15 National Championships is mandatory
 - 2. Two U13 or U15 Regional Tournaments
 - 3. Must be in a National Squad

“The selectors remain committed to transformation and will apply judgment and discretion when considering squads and national team selection.”

“Players that warrant selection in older age groups need to play the criteria that meet the minimum criteria in their own age group, noting that fitness testing still applies for the relevant age group in which may be selected”
